

Environmental Policy

At all levels of our operation, Perfect Group plan and conduct their activities with a view to protecting and conserving the natural environment, and hold the prevention of environmental pollution at the highest of importance. We do this by complying with legal and other requirements, and the Environmental Management System, meeting community expectations.

Perfect Group is committed to providing for its employees and the wider community, a level of environmental awareness, management and control that is in line with the community expectations and standards.

Perfect Group commits to establishing and reviewing measurable objectives and targets in accordance with the annual Environmental Management Plan and the requirements of ISO 14001:2004 Environmental Management Systems.

Perfect Group commits to continual improvement and the prevention of pollution and to comply with applicable legal requirements and all other relevant obligations.

This policy is communicated to all staff through uploading a copy of the policy to the company server with other relevant Management System manuals.

The policy is also made available to all persons working for or on behalf of Perfect Group and the public via the company website.

Review

This Policy will be reviewed every 12 months and when required by changes in legislation, or when company operations require it. If altered, workers will be consulted and notified of changes.
